

Information to the candidates appearing for ACII examinations

Consequent to the Chartered Insurance Institute (CII) reviewing its internal systems of “Recognition of Prior Learning”, they have switched over to a paper-wise credit system. The transition to this system will be in a phased manner. The effect of the new system on III’s courses are given below :

Transition Phase 1 : Upto 31st December, 2012

III Qualification	CII Credits (Recognition of prior learning awards) (Valid till 31 st December, 2012)
Associateship	120 credits
Fellowship	210 credits
