THE CREDO

Associate and Fellow Members of the Institute are expected to

1. Continuously update their knowledge of Insurance and allied disciplines and contribute to the furtherance of such knowledge through engagement in research, case studies preparation and innovative work practices
2. Commit to the spirit of honest scientific enquiry – critically examine existing paradigms and practices of the industry with an open and objective mind.
3. Develop a holistic and integrated approach to insurance and its practice, and also adopt a diagnostic problem solving approach to issues and problems in their work environments.
4. Be Team Players, willing to support and empower others and contribute to synergy of the groups to which they belong - to respect and listen to others, to be open and transparent, and to put the team's purpose and its achievement above self.
5. Maintain highest standards of Professional integrity and ethical conduct with respect to what they say and do in their professional life and work, exercising discrimination and judgment to decide what is fair, just and the right thing to do in any situation.
6. Act in the best interests of customers, display deep sensitivity and empathy towards their concerns, champion their just and legitimate causes, provide fair and objective professional advice and a high standard of service.
7. Exercise due diligence and care while dealing with resources of institutions they serve.
8. Display leadership in thought and action towards promoting quality in sales, service and all other work processes, striving for continuous improvement in activities they are engaged in.
9. Contribute to development of both themselves and other fellow members, in a personal and professional sense, participating in and extending support to the activities of various local institutes set up to promote insurance education and develop Insurance competencies.
10. Initiate and take part in social innovation processes that lead to community betterment and enrichment of life – inspiring others through personal example.
