## Happenings at Institute Monthly Newsletter November 2012

### Message

*My dear colleagues,*

*It is with great pride and immense pleasure that I address all of you today through this edition of our newsletter. Using this newsletter as a medium I wish to draw your attention to the age old adage that 'Knowledge is power'.*

*Knowledge concerning Insurance and the Insurance Industry needs to be harnessed thoroughly by implementing the fundamentals laid down in the various resources made available by the III. In the insurance industry, trade secrets, confidential information and valuable ideas are part of the workforce knowledge.*

*However, it is necessary to unearth the wealth of knowledge lying around, perhaps unused or less used. We, at III, are in the incessant process of acquiring knowledge & disseminating the same to those in the insurance industry at individual and corporate levels.*

*Insurance Institute of India and its College of Insurance have played a pivotal role in spreading insurance knowledge. Ever since the institute has started, we have not only constantly enhanced our standards in our spheres of activities but have also maintained balance between experienced past while embracing the emerging present.*

*We are confident that we will definitely reach the peak in insurance training & education with the support, suggestions & feedback of all its alumni. I, sincerely urge you to put forth your suggestions so that this institute can continue along its path to progress.*

*Regards,  
V.S.Shenoy  
Secretary*
