

Secretary-General's Message

Dear Fellow Professionals,

Insurance Institute of India has been sending Newsletters to its members for the last one year from 8th April 2011. We value your feedback and responses and are continuously striving to keep insurance professionals informed about happenings in the insurance sector. We wish to connect with all insurance professionals (and budding ones too) and build a vibrant community of thought leaders who will chart the course of the industry in times to come.

In case any of your colleagues are interested in getting III newsletters or being in touch with us for their professional and academic needs, please feel free to send us their contact details. We would be happy if you visit III's website regularly. You can connect with us on email or face-book as well.

If you have a thought that merits discussion, debate or research, you are welcome to share it with us. We respect ideas emanating from the industry and based on merits of the topic, would be happy to take it up with the industry through the Journal, seminars or as research topics.

*Regards,
Sharad Shrivastva
Secretary-General*
