‘Inse Miliye’ Video Interview Series commences on 26 January, 2021

Insurance Institute of India has been active in insurance education and training since 1955. The Institute has been involved in various activities such as conducting certification examinations, training programs, seminars and webinars, developing academic content for its courses, publishing periodicals, taking up research and consultancy projects, conducting surveys and many other activities.

On the occasion of Republic Day, 26 January, 2021, the Institute started ‘*Inse Miliye*’, an interview series. Mr. Deepak Godbole, Secretary General, Insurance Institute of India said that ‘*Inse Miliye*’ was conceptualized as a platform where visionaries and thought leaders of the insurance industry could share their passion, capacity, experience and ideas with across boundaries. He hoped that this would help in building an inclusive society with the high degree of financial literacy.

The interviews are uploaded on the YouTube page of IIL so that the audience can hear the experts, the opinion makers and to get the new insights into finance, risk management, insurance, technology and many more topics.

Industry leaders eulogized the initiative and some of them recorded their appreciation.

32nd State Road Safety Initiative - 2021

Host - Asia Insurance Review

20-21 January 2021

Road Safety Week is observed from January 11th to January 17th every year. It aims at making the roads and streets in India safer. This year, instead of Road Safety Week, Road Safety Month will be observed on the theme 'Sadak Suraksha, Jeevan Raksha'. During this campaign, the Government and other institutions spread awareness about how to drive safely and follow rules in order to avoid accidents and injuries. Ministry of Road Transport and Highways also looks at improvement in road infrastructure and removing dark/ black spots so as to avoid accidents. Ensuring safety and avoiding accidents helps general population, vehicle owners, police and the society as a whole.

Insurance Institute of India has been playing its role in awareness building about risk management and insurance. Institute conducts its awareness programmes in schools and colleges all over India through its Associated Institutes. It also distributes books and pamphlets on road safety. Insurance Institute of India has kept its activities unaffected even during the pandemic and Prof. Archana Vaze had participated in the webinar and addressed lady police officers from Traffic Department of Maharashtra through video conferencing during the lock down period.

Mr. Muktesh Chaturvedi, Director, College of Insurance and Prof. Archana Vaze, Asst. Professor participated in the inauguration function of the 32nd State Road Safety Month jointly organized by the Department of Transport, Maharashtra State Road Safety Council in Mumbai on 18th January, 2021.
