

Virtual Training Session - Certified Insurance Anti-Fraud Professional - (CVT – CIAFP) [Contact Programme exclusively for those undergoing Online CIAFP Course]

Program ID – CPC18 (From 22nd to 24th November 2023)

The Indian insurance industry is getting increasingly concerned about preventing, avoiding and eradicating frauds in recent years. While fraud related courses are available in more developed markets, the absence of a comprehensive academic programme that can create a cadre of anti-fraud professionals has been cited by experts as a reason for the Indian Insurance industry being victimized by fraud. The industry is seized of the need for a comprehensive and integrated approach to Insurance Fraud Management, for which academic certification is a key concern.

To address this concern of the industry, Iii has designed its **Certified Insurance Anti-Fraud Professional (CIAFP)** course in association with North American Training Group (NATG). The objective of the Course is to cover all academic and practical aspects of fraud fighting, fraud detection cum investigation and fraud prevention in insurance. The course is in two parts: (a) eLearning and (b) Classroom interactions for discussing the ever-changing practicalities of fraud fighting.

COI has created '**Virtual Training (CVT) Rooms**' as a cost-effective mechanism for participants to attend the classroom session from their respective locations.
