

## Virtual Training Session on Creating High Performers in Banca Channel Program ID – CPL58 (On 15<sup>th</sup> January 2024)

**Bancassurance as a distribution Channel:** Now in the competitive Era, a sustainable and cost effective distribution channel is the need of the hour and therefore life Insurance companies need a sharper distribution strategy.

The IRDAI, with the notification on LICENSING OF CORPORATE AGENTS' REGULATIONS, 2002 paved the way for banks in India to operate as corporate agents. From then onwards Bancassurance has emerged as a cost effective distribution channel. Almost all insurance companies have entered into an MOU with one or more banks, and integrated their products with a bank platform to provide insurance solution to their existing bank customers. Today Bancassurance is the most sought-after "distribution channel" for garnering individual new Business premiums for all Life Insurers. This is because of the following reasons.

- The low acquisition cost of acquiring business compared to other channels.
- Selling to the existing customer base of the banks, as a referral sale, which overrides the barriers of cold calling and prospecting

**About the Program:** Though Bancassurance channel is in vogue since last 20 years, yet Insurers have a lot to face the specific challenges encountered through Specified Persons, and also to motivate them to sell Insurance products. Solutions for the challenges, viz, role conflict and role ambiguity, regulatory compliance requirements, developing the selling competencies among the Specified Persons of the Bank, require effective support, empowerment and hand holding by Insurance companies.

This Program has been designed to provide, Bancassurance Managers in specified banks and managers of life Insurance companies with a set of knowledge and skills through the Workshop named "Creating High Performer in Banca Channel".

COI has created '**Virtual Training (CVT) Rooms**' to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.
