

**Virtual Training Session on
Program on AML, KYC and CFT Requirements (CVT)
(Program ID: CPC), 21st January, 2026**

Program Concept and Objectives:

In Money Laundering, the proceeds of illegal activities are brought back in to the Economy in such a way that they re-enter the financial system appearing to be normal business funds. Insurers, more specifically Life insurers, may unwittingly get exposed to a potential criminal activity while undertaking normal business transactions. Based on PML Act, 2002 and the rules issued thereunder, the IRDAI has issued Master Guidelines from time to time for prevention of money laundering, implementing Know Your Customer (KYC) norms and Counter financing of Terrorism (CFT) in the Insurance Industry, the latest being on 1st November 2022 which is already followed by two additional circulars. It is necessary that all Life and General Insurers, Agents, Intermediaries are up-to-date with regard to their knowledge of these legal and regulatory provisions to meaningfully comply with the statutory duty both at proposal stage, claim stage and on continuous basis as may be required.

Keeping the above background in mind, this program is designed to deal comprehensively with the latest Master guidelines issued by the IRDAI on 1-11-2022 analytically to give an understanding about AML, KYC and CFT for compliance and the changes from earlier norms, if any. It serves as the primary training course on AML required for all newly inducted employees as well as periodic training for existing employees to update, which are regulatory requirements.
