

With globalization, many Indian companies have the opportunity of doing business with other countries. For many of the Indian companies catering to global demand and doing business in multiple countries, this global exposure comes with fear of unknown financial losses as the payments have to come from far flung countries. In such a scenario, Trade Credit Insurance works an effective risk management tool to manage the risks caused due to failure of payment from one or several customers, thus giving businessmen some degree of comfort and certainty in uncertain market conditions.

In this context, the College of Insurance is introducing a program to understand Trade Credit Insurance and how it is used.

COI has created '**Virtual Training (CVT) Rooms**' as a cost-effective mechanism for participants to equip themselves academically at their respective locations.

Program Objectives: The program on Trade Credit Insurance is designed to provide insights to the participants in the following areas:

- Understanding the basics and the working of Business Credit
- Understanding the coverages of Credit Insurance and the wordings used
- Appreciating the Legal aspects of Credit Insurance
- Understanding the issues and challenges in claims settlement

Participant Profile:

The Program is designed for serious minded practitioners who have interest in Credit Insurance. Also people working in Junior/ Middle management level from marketing, underwriting and claims departments in General Insurance companies, Brokers, and buyers of insurance.
