

College of Insurance
Insurance Institute of India, Mumbai
Classroom Workshop on Motor Insurance (Own Damage)
Program ID – CPG59 (From: 5th – 7th February 2024)

Relevance of the Program:-

For the General Insurance industry Motor Insurance today, is a very important Line of Business and companies including the intermediaries require to equip the insurance professionals with in-depth knowledge and skills related to motor own damage. This enables them to provide accurate information to their clients, assess the proposals effectively and handle claims efficiently.

Proper customer guidance through the coverage options, efficient claims handling helps in mitigating risks and building a strong brand image for the companies and the intermediaries by ensuring a positive customer experience.

Understanding new trends in motor insurance (Own Damage) is crucial for insurance professionals to adapt to evolving market dynamics and meet customer expectations.

By staying informed about Techniques such as Usage Based Insurance, autonomous driving technologies, data analytics and predictive modelling, cyber security and data security etc. insurance professionals can adapt their strategies, product offerings and customer interactions accordingly and achieve success in the evolving landscape of motor insurance motor own damage.

The College of Insurance has thus designed a program which provide an in-depth understanding of the relevant market factors and equip the insurance professionals to take decisions that meet the expectations of all the stake holders.

Program Objectives:-

- Appreciate motor insurance and its components
- Products offered and scope of motor OD Coverage
- Add on covers and their relevance in bridging coverage gap
- Understanding new age technology vis a vis motor insurance
- Understanding different types of losses
