

Regulatory Changes in Insurance: Impact and Opportunities (CVT)

29 October, 2025

PROGRAM CONCEPT AND OBJECTIVES:

Indian insurance industry is fast evolving and has come a long way over the past 2.5 decades since the industry started being regulated by the IRDAI. Plethora of recent regulatory changes announced by IRDAI are towards reforms and expansions of the insurance industry. The industry eco-system must follow comply with them. Most of them are in the customers' interest for their ease of getting credible services through the insurance policies. This helps gaining people's trust in the insurance to buy with confidence. Insurers and intermediaries must decipher the right spirit of the regulations unleashed by the IRDAI.

This one day training will give a right insight to the insurance practitioners and the compliance professionals.

COI has created '**Virtual Training (CVT) Rooms**' to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.

KEY TAKEAWAYS FROM THE PROGRAM:

It aims at making the participants aware of-

- The recent regulatory changes
- Current/previous state and the position post changes
- Impact of the regulatory changes on the insurance carriers, intermediaries and the customers
- How does the market react to such changes
- Forth coming changes, expected, to remain geared up
