

Virtual Training Session on Liability Insurance –Appreciation Program ID – CPG16 (From 07th to 08th June 2023)

The Indian insurance industry has several years of expertise in traditional products. With the shrinking of global boundaries many new risks and new insurance products have come into being which has made it imperative for insurers to adopt global practices. The advent of technology and increased exposure to the more developed markets have increased the awareness of people about their legal rights and liabilities. Matters relating to Liability which were being ignored in the past are now going to the Courts of Law. To defend themselves from several liabilities that people and businesses have to face in the new age, especially those dealing with the more developed countries, Liability Insurance products which were previously part of the global market have come into being in India as well. To cater to the increased demand for Liability Protection, the Indian insurance industry needs more professionals who have knowledge about Liability Insurance.

In this context, the College of Insurance has designed this appreciation programme on Liability Insurance to facilitate a better understanding of the subject.

COI has created '**Virtual Training (CVT) Rooms**' to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.

Programme Objectives:

The program is design to empower the participants in the following areas:

- Connect with the theoretical framework of Liability insurance and its varied applications
- Develop better insights into various Liability insurance products available in India
- Recognize the technical and risk management aspects of Liability insurance
- Appreciate the need for innovative products in the market.

Participant's Profile: The Program is designed to enhance the knowledge of junior/ middle level professionals who are interested in Liability insurance. Those working in Junior/ Middle management levels in marketing, underwriting and claims departments of insurance companies, brokers, and insurance buyers can also join the programme for increasing their awareness of Liability Insurance.
