

Classroom Training Session on Health Insurance: Focus Hospital Management (CT) 16th - 17th June, 2025

Program Concept and Objectives:

Health insurance plays a pivotal role in ensuring access to quality healthcare, especially in the context of hospital management. As healthcare demands shift, effective coordination between health insurance companies and hospitals becomes quite critical for providing excellent customer service while remaining cost-effective. The objective of this two-day training program is to bridge the knowledge gap between hospital administration and health insurance by giving participants practical guidance to optimize the collaboration. Participants will gain insights into the duties and obligations of hospital managers, the intricacies of handling insurance claims, and the significance of collaborating with insurers to provide a smooth patient experience.

Key Takeaways from the program: The program is designed to equip participants in the following areas:

- Understand the Role of Health Insurance in Hospital Management
- Enhance Claims Processing Efficiency
- Explore Patient-Centric Approaches
- Address Emerging Challenges and Innovations
- Understand Regulatory and Compliance Frameworks
- Optimum utilisation of resources to strengthen Coordination between Stakeholders

Participant Profile: This 2-day classroom program is designed for participants of Hospital Administrators and Managers, Health Insurance Professionals, Claims Management Professionals, Medical Practitioners with Administrative Roles, official at all levels from the Insurance Companies/ Brokers/ TPAs/ others professionally interested in the topic.
