

Insurance Institute of India, College of Insurance, Mumbai

## Virtual Training Session on Basics of Health Insurance and Preventive Care (CVT) 2<sup>nd</sup> July, 2025

### Program Concept and Objectives:

In an era where medical costs have increased significantly, it is essential for everyone to focus on wellness by preventing illness. The health insurance companies has begun to take note of clients who maintain their wellness, which ultimately helps to reduce their outgo. Modern health insurance plans are designed to support this shift by offering coverage for preventive health check-ups, vaccinations, wellness programs, and screenings, thus encouraging policyholders to prioritize their health.

This one-day '**Virtual Training (CVT) Rooms**' on "Basics of Health Insurance and Preventive Care" is designed to provide participant a fundamental understanding of current health insurance operating environment as well as industry efforts to promote wellness and preventive care, and its impact on underwriting aspects and claim management.

### Key Takeaways from the program:

- Appreciate the environment in which health insurers are operating today
- Exploring Preventive Care, policy Features and Coverage
- Industry Efforts in Wellness and Preventive Healthcare
- Initiatives by Insurance Regulator to Promote Health Insurance

**Participant Profile:** The Program is designed for executives working in health departments of Insurance Companies, Brokers, TPAs and those who are interested to work in areas related to Health Insurance.
