

## Classroom Training Session on Excellence in Insurance Technical - Non Life International (CT) - 27 July to 8 August, 2026

### Program Concept and Objectives:

'Technical Excellence in Non-Life Insurance' is designed as an exclusive two-week course for senior and middle level executives of the Insurance Companies and Regulators of multiple countries, to give them an overview of the technical and functional aspects of insurance. The course would enable participants from multiple countries to develop a comprehensive understanding of the theory and practice of various popular lines of traditional and new-era general insurance businesses.

The course would give the participants conceptual clarity on their functional roles like underwriting, claims servicing and settlement, distribution, product development, pricing, reinsurance, prevention of fraud, etc.

**Key Takeaways from the program :** 'Technical Excellence in Non-Life Insurance' is designed to provide a good understanding of the following:

- Risk management and insurance,
- Concerns in Product Development and Pricing,
- Challenges in Underwriting
- Insurance Marketing and Customer Relationship
- Concerns in Claims settlement,
- Insurance Fraud,
- Basics of Reinsurance,
- Practices in the Non-Life insurance industry.
- Different generic General Insurance products such as Property (Fire, Projects, Machinery Breakdown, Boilers and Pressure Vessels, Electronic equipment), Liability (General, Financial and Cyber), Marine Cargo, Marine Hull, Aviation, Motor/ Casualty, Health, Crop, Cattle, Micro insurance, Reinsurance etc.

**Participant Profile:** 'Technical Excellence in Non-Life Insurance' is designed to familiarize senior and middle level executives in Insurance Companies and Regulatory bodies in the technical aspects of Non-Life insurance over a period of 2 weeks (60 hours of classroom) training.

Participation in this course would provide an opportunity to learn from experts and senior practitioners and help in developing knowledge of technical aspects of Non-Life Insurance business and typical processes.
