

Virtual Training Session on Marine Cargo Insurance

Program ID - CPG24 (On 07th July, 2023)

Marine Cargo Insurance or the Insurance of goods in transit is guided by many international laws and follows time-honored concepts. Though the guiding principles remain unchanged, there has been considerable evolution in the practices of Marine Insurance with the increasing trade between various nations by sea, air, land and inland waterways. Fast evolving trade practices, the Inco-terms and demand for different policies has also evolved.

This course is designed by the College of Insurance so that participants can have a deep understanding of the policy wordings, clauses and practices related to the insurance of Cargo.

COI has created ***Virtual Training (CVT) Rooms*** to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.

Program Objectives:

- Discuss risk factors associated with the transportation of goods
- Compare Cargo Clauses A, B and C and discuss exclusions
- Understand special cargo, and special clauses/ conditions
- Understand Inco terms and its relevance for better underwriting
- Appreciate challenges due to war, strikes, terrorism and other forms of commotion
- Understand the methods of packaging and their impact
