

## Virtual Training Session on Familiarisation Programme for Board Members of Life Insurance Companies - Program ID- CPL31 (On 19th July, 2023)

In fact, Companies Act, SEBI Regulations expect familiarization programs for its independent directors. Rather IRDAI Corporate Governance guidelines expect all Directors of insurance companies to familiarize themselves with the governance issues of the Company. Accordingly, the life insurance companies keep on organizing such programs and as a compliance to applicable regulations, keep details of such programs on their website. Keeping that in mind, this program is designed wherein developments in the industry and also in regulations can be shared and discussed with a view to remaining updated with developments during the quarter. In view of busy schedules of the directors for the board meetings for the quarterly financial results, program has been kept for a day only and that too on virtual mode for ease of participation by the Board members and the concerned senior executives. Participation in this program would provide a unique opportunity to keep oneself updated along with interaction with exchange of ideas with other participants from different insurance companies, which can benefit one another with the best practices adopted across the industry.

COI has created '**Virtual Training (CVT) Rooms**' to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.
