

College of Insurance
Insurance Institute of India, Mumbai
Classroom Training Session on Reinsurance Management
Intermediate Level - Program ID- CPG28
(From: 20th – 21st July, 2023)

Relevance of the Program:-

Increased instances of Natural Catastrophes and Man-made Disasters as well as the high risk exposures have made Insurance and Reinsurance more challenging in the last few decades. Added to these are problems of accumulated exposures, complicated mega projects and new challenges posed by using advanced technologies in manufacturing, agriculture, clinical trials, satellites, cyber insurance, oil and energy risks in addition to those emanating from unmanned vehicles, ships, yachts and aircrafts.

Hence, in modern times, executives in Insurance and Reinsurance need to know much beyond the operational Basics of Reinsurance to keep updated. They need to be aware of emerging ideas in respect of changes in the reinsurance markets, controlling accumulations, Alternative Risk Transfer (ART) mechanisms and other issues critical to handling reinsurance business.

In this context, the College of Insurance has designed this program for developing a professional understanding of Reinsurance for the people working in Insurance, Reinsurance and allied sectors.

Program Objectives:-

The program is design to empower participants in the following areas:

- Understanding important technical aspects of the Reinsurance business
- Understanding retention philosophies, and designing reinsurance programs
- Familiarizing with legal aspects, clauses, wordings and documentation related to Reinsurance
- Understanding the methods and procedures of Reinsurance Accounting
- Appreciating ART Mechanisms in Insurance Risk Management
- Discuss case studies of strategies adopted by organizations to build teams

Participant's Profile:-

The Program is designed for Insurance executives in Insurance, Reinsurance and Broking companies, who have at least one year's experience in Reinsurance.
