

Classroom Training Session on Corporate Social Responsibility for the Insurance Industry (CT) - 9 September, 2026

Program Concept and Objectives:

Corporate Social Responsibility (CSR) has become a buzzword that tells the corporate sector to perform their business in a responsible way and follow the sustainability principle in their actual functioning. As per guidelines reporting of CSR Compliance is mandatory. An organisation should formulate its CSR Policy and implement it for inclusive development of all its stakeholders. The provisions of Act and Rules relating to CSR, practical implementation, experience of some Indian and foreign organisation about CSR, performance evaluation and statutory reporting are vital aspects that must be known to head of the organisation.

In this context, the College of Insurance has designed this program to provide an in-depth understanding of CSR to insurers and other sector personnel who are involved in managerial roles.

Key Takeaways from the program:

The program is designed to provide insights to the participants in the following areas:

- Learn the importance of CSR and provisions in the Act and Rules (Companies Act 2013 and CSR Rules 2014).
- Understand and learn experience of international practice and guidelines relating to CSR.
- Know the CSR implementation process and challenges while implementing it.
- Explore the CSR activities suitable for the organisation.
- Learn to develop CSR policy; and plan, monitor, report and publish its implementation.

Participant Profile:

Practitioners in insurance, PSUs, corporate firms, organisation and, academia and related areas, working in the compliance and human resources departments, who are looking for developing CSR policy and its implementation, skill set required for building a responsible organisation.
