**Motor Third Party Insurance - Program ID- CPG30**  
**(From: 26<sup>th</sup> – 27<sup>th</sup> July, 2023)**

**Relevance of the Program:-**

Motor Third Party (TP) Liability Insurance contributes around one fourth of the premium of the Non-Life insurance industry, but the high claims outgo is a matter of concern. The growth and reputation of any Insurance company depends on fast and impartial settlement of claims. Possibilities of collusion between some claimants and other stakeholders can vitiate the system and make it difficult for Insurers and the legal system to prevent cases of fraud. Despite the combined efforts of the Government, the Insurance Regulator and the industry, managing the Motor portfolio free of fraud continues to be a challenge for insurance companies.

The program of two days duration has been designed to manage these challenges. The program will impart knowledge on Managing Motor TP Claims and Controlling Frauds.

**Program Objectives:-**

The Program is of two days duration. It aims at making the participants aware of:

- Identifying Fraud cases and handling them
- Recent landmark judgments
- Handling cases in Lok Adalat and other compromise modes
- Fit cases to go for appeal
- Expeditious claims settlement process
