

## Corporate Social Responsibility and Governance for Insurance and other Industries (CT) from 18 to 19 September, 2025

### PROGRAM CONCEPT AND OBJECTIVES:

Corporate Social Responsibility (CSR) is a buzz word that tells the corporate sector to perform the business in responsible way and follow the sustainability principle in the functioning. As per guideline of CSR, it's addressing and reporting is mandatory. An organisation should formulate the CSR Policy and implement it for inclusive development of its stakeholders. The provisions of Act and rules relating to CSR, practical implementation, experience of some Indian and foreign organisation about CSR, performance evaluation and statutory reporting are vital aspects that must be known to head of the organisation.

In this context, the College of Insurance has designed this program to provide an in- depth understanding of CSR to insurers and other sector personnel who are involved in managerial roles.

### KEY TAKEAWAYS FROM THE PROGRAM:

The program is designed to provide insights to the participants in the following areas:

- To learn the importance of CSR and provisions in the Act and Rules (Companies Act 2013 and CSR Rules 2014).
- To understand and learn experience of international practice and guidelines relating to CSR.
- To know the CSR implementation process and challenges while implementing it.
- To explore the CSR activities suitable for the organisation.
- To learn how to develop CSR policy, planning of CSR policy and its monitoring and reporting in the annual reports of the company and government department.
- To understand the practice of new governance and accountability.

### PARTICIPANT PROFILE:

Practitioners in insurance, PSUs, corporate firms, organisation and academicians and related areas, working in the compliance and human resources departments, who are looking for developing CSR policy and its implementation, skill set required for building a responsible organisation.
