

Health Insurance : Focus Regulatory Compliance and Master Circular (CVT) - 6th October, 2025

PROGRAM CONCEPT AND OBJECTIVES:

Identifying the rising need for health insurance and aiming to make the product more attractive, acceptable and accessible to consumers, IRDAI issued a Master Circular on Health Insurance in 2024 to streamline processes and to maintain uniform practices across Health Insurance Sector.

This training program aims to provide a detailed understanding of the regulatory framework governing health insurance and practical insights into compliance with the IRDAI Master Circular. The program will address key regulatory requirements, clarify approaches, and equip participants with actionable knowledge to navigate the complexities of health insurance regulations effectively.

COI has created '**Virtual Training (CVT) Rooms**' to conduct training program in a cost-effective manner for participants to equip themselves academically at their respective locations.

KEY TAKEAWAYS FROM THE PROGRAM:

- Understand the Regulatory Framework.
- To familiarize participants with compliance requirements and responsibilities for insurers and intermediaries.
- To analyze critical provisions, including those related to standardization, disclosures, grievance redressal mechanisms, and product design.
- To highlight the role of regulatory compliance in mitigating risks and enhancing customer trust in health insurance products.

PARTICIPANT PROFILE: This virtual program is designed for:

- Executives from Health, General, and Life Insurance Companies.
- Professionals from Brokers, Insurance Marketing Firms (IMFs), Hospitals, and Third-Party Administrators (TPAs).
